		Core Maths		

Core Maths:

- Please note that this subject is **NOT** a full A Level and you will need to choose three other subjects in addition to Core Maths.

Further Maths:

- Please note that Further Maths takes up Option Blocks 3 and 5.
- If you wish to study Further Maths you must still choose two other subjects from the remaining Option Blocks (i.e. Blocks 1, 2 or 4).
- If you wish to study Further Maths you do not need to select Mathematics as a separate subject too.

BTEC (Rugby)

- Please note that this course is the equivalent of **THREE** full A Level subjects.

The school expects that students will follow a course which consists of three full A Levels for two years. There is the opportunity for exceptional applicants to study a fourth subject and if you would like to be considered for this offer you can indicate this on the application form. To study four subjects, you will need to achieve minimum 7 grades in the relevant subject entry requirements for your A Level.
