

Northampton School for Boys

An independent Academy for the Town and County

JWI/jwn

20th November 2017

Dear Parent / Carer,

Wednesday 22nd November 2017

Please be aware that on this date, the school is hosting the ESSA Under 15 Regional Water Polo Finals from 1.30pm, the ESRFU Natwest U18 Regional Rugby Final from 3.30pm onwards, an ESFA U14 football match from 2.30pm and the NSport Under 12 Northampton Schools Basketball Championships from 4.00pm.

This amount of activity in high level sport is exciting but at the same time it presents challenges. In light of this, I am writing to the parents / carers of all students at the school to make you aware that, with the exception of commercial taxi and special arrangement school agreed pickups from the front crescent, there will be no vehicular access to the school site, inclusive of the Sports Hall Car Park on the afternoon of Wednesday 22nd November.

If you are intending to visit the school, either to spectate at one of these events or for regular evening pick up of your son / daughter, we must insist that all parking or pick up occurs off-site on this day.

Further to this, please be aware that if your son participates in U13 or U16 rugby, U12 or U13 football, U13 basketball or Year 7/8 Water Polo, regular Wednesday evening training sessions have been cancelled on this date so that we can accommodate the large numbers of visitors we are anticipating for these competitive sporting events.

Apologies if this will inconvenience anybody. Those of you who are regular visitors to the school will understand why we must take these measures, given the fact that we will have around 16 different teams participating simultaneously across all of these sports on this afternoon.

Please do not attempt to use the access road to the Sports Hall Car Park at any stage on the afternoon of Wednesday 22nd November.

Thank you in advance for your understanding and cooperation in this matter.
