Dear Parent/Carer

Re: Sixth Form Employment and Opportunities Evening

On Wednesday 18th March 2020 Northampton School *for Boys* will be hosting its annual Sixth Form Employment and Opportunities Evening 6:00 – 8:00pm in the concourse.

We have invited a wide range of organisations who have opportunities that they can promote to young people such as apprenticeships, graduate careers, university courses, work experience, gap years, voluntary/temporary work, scholarships and conferences.

We encourage students to improve their employability skills so that they can gain a competitive edge when applying for work or university. This is a very good opportunity for them to network and learn more about the options that are available. We recommend that students who are seeking work after year 13 bring their CV to the event.

A list of participating organisations will be available shortly on the school's website. Parents are very welcome to attend, and we look forward to seeing you and your son/daughter at the event.

Yours faithfully
