

LED

18th October 2019

Dear Parent/Carer

I am writing to you with final details about the 2019 Iceland trip.

Just a reminder that we will be departing from NSB shortly after 7a.m. on Monday 28th October and will be returning late evening on Friday 1st November (depending on traffic). Please be mindful that the clocks change the day before we travel.

Students need to be wearing an appropriate warm coat to travel in and have easy access to their walking boots as we will be going to the first activity straight from the airport on arrival in Iceland.

The **emergency** contact number for the trip is: **07513 955035**.

PLEASE NOTE: this number should only be contacted in an emergency. Please do not call if you have not heard from your son/daughter.

Yours faithfully

Mrs L Edwards
Iceland Trip Leader
