February 2018

Dear Parents,

## **Help and Support For GCSE Summer Examinations**

Year 11 will begin their Examinations in mid-May and in order to support our students we are once again offering GCSE Revision guides for parents & carers to purchase at a reduced price. These are available for most of the GCSE subjects and are designed with the new 1-9 grading system in mind.

Order forms were sent out before Christmas so students could purchase the guides prior to their Trial examinations, and you may have already taken us up on our offer. However, if you didn't purchase all the guides needed, or want to make a completely new order, there is a second opportunity to do so at the Year 11 Parents Evening on Thursday, 22nd February.

Mrs Onyett, the school librarian, will be available in the 1911 Hall to facilitate orders. Payment will be needed on the night, in the form of cash or cheque. Guides have been pre-ordered and should be able to be taken away with you straight away.

Thank you for your continued support of your son's learning.

**Helen Topping Shaw**  
**Assistant Headteacher**
