

Arrangements for Results Days – Summer 2017

A Levels & AS Levels – Thursday 17 August

“**Early Bird**” session – for those students who have been on line to UCAS track and KNOW that they do not have a place following A-Level results, we offer our “early bird” session in the 6th Form Library from 7:45am. PLEASE NOTE this is ONLY for students who need advice for clearing.

For everyone else in Year 13 results can be collected from 8:00am in the concourse.

Year 12 can pick up the AS results from 9:00am in the concourse.

GCSEs – Thursday 24 August

Students can collect their results from 10:00am in the concourse.

If any student, whether in Year 13, Year 12 or Year 11 is unable to collect their results on the day we can post them provided that we have a stamped addressed A5 envelope with a “large” stamp. Please leave your requests with Reception.

Alternatively, the student can give written permission for a named person to collect them on his or her behalf providing that the person has proof of identity and the written, signed permission of the student.

Following publication of the results, students and parents can contact the school should they wish to discuss any concerns that they have. Please see below for details. Senior Staff will be available throughout the post results period as will Ms Shaeffer, our Careers Advisor

Thursday 17 August	Senior Staff & Ms Shaeffer will be available throughout the day
