

5th March 2020

To whom it may concern

On Thursday 2nd April, Kettering Buccleuch Academy will be hosting their annual Careers and Further Education Evening. The evening has been a huge success in previous years and has given students the opportunity to engage with a variety of further education centres, as well as local and national apprenticeship and training providers.

The event will be taking place from 18:00-20:00 throughout the secondary phase of the academy building.

All students from years 7-13 from across Northamptonshire are invited to attend, as well as their parents/carers. Visitors may arrive and leave at any point throughout the night.

Throughout the evening there will also be a variety of talks and seminars that will provide students, parents and carers with guidance to allow them to make the correct decisions for the steps in their education.

Below are the further education and training providers that have confirmed their attendance so far:
