

2nd February 2021

Dear Parent/Carer

With half term approaching and the mid-point in the school year students frequently find they need a new exercise book in some subjects. If your child requires a replacement book or several please contact NSB Reception on 01604 230240 and arrange a time to come in to school and collect them from Reception. You will need to provide the following details over the phone:

Name of Child

Year Group

Which subjects exercise books you require (colour often helps)

A time you can collect between 8:30am-3:30pm

Kindest regards

Matt Kneeshaw

Deputy Headmaster

Northampton School *for Boys*
