Dear Parent/Guardian

Re: China Trip 2020 Parents' Meeting

I would like to remind you of the parents' meeting taking place next Thursday, 4 April at 7pm in the Sixth Form Pod regarding the China 2020 trip.

Please ensure that you bring with you: -

- 1) A completed Medical Consent Form, previously sent out when your son's place was confirmed. If you do not have a copy of this form, your son may collect one from Student Services.
- 2) A colour photocopy of your son's current passport information page, even if this is due for renewal shortly.

Our tour company, Travelbound, have asked for details of anyone travelling who has an immigration control stamp in their passport for the following countries: **Jordan, Sri Lanka, Syria or Turkey**. If your son has visited, or is due to visit any of these countries before we travel to China, please indicate this on the attached reply slip and return it to me at the parent meeting. If your son is due to have a new passport before we travel, there would be no stamps in his new passport and so this will not affect him being on the group visa.

Yours faithfully

Mr P Loughney
Trip Leader, China 2020
