Please arrive promptly and ensure you bring your script and a pencil for writing notes TO EVERY REHEARSAL. If you are unable to make any of the rehearsal dates above, please ensure you let either me or Miss Horner know in advance. There may be times where you will have to await your scene, therefore please ensure you bring any schoolwork with you; alternatively you can learn lines.

You are responsible for your own scripts and they are numbered to ensure you return them after the performance. Any lost items will have to be replaced.

Any questions please see me.
