

Dear Parents/Carers

As the summer holidays approach, we wanted to let you know about some more careers related opportunities that may be of interest. Finding out about the huge variety of online webinars, experiences and resources has been a real eye opener and we hope that you feel better informed regarding what is available. As always do keep an eye on NSB Careers twitter @NSBCareeradvice, and for all careers related enquiries you can email Miss Shaeffer at careers@nsb.northants.sch.uk

Activities, webinars and competitions.

The National Citizenship Service are offering students in year 11 the chance to get involved in a social action project this summer. The programme is free of charge, and a great way to make a difference in the community. Please visit the link for details and how to book.

As we have previously mentioned, now is a great time for students to reflect on the question

What did you do during lock down?

They can think about what they have learned from new hobbies or interests, how they have helped others, stayed motivated or begun to plan for the future. We hope that they will begin to realise how much they have developed as young people.

Wishing you all a very happy and safe summer.

Ms N Shaeffer
Careers Adviser

Miss H Rickaby
Work Experience Manager (Lower School)
