Dear Parent/Carer

It is with great pleasure that I offer the opportunity for your son/daughter to enhance their language learning at home through the Mary Glasgow language magazines.

Mary Glasgow magazines are produced by a specialist language publisher, who offers magazines, books and audio resources (via their website) aimed at secondary school age language learners. There are 5 issues of the magazine published throughout the year, as well as online resources which are available at all times.

The cost of the annual subscription is £9.50, payable via your 'Parentpay' log in, and must be paid in advance. If you wish to take up this opportunity your son/daughter will receive two editions to start with – the November one and the backdated September issue. As the magazines arrive throughout the year, they will be notified internally and should then come to C24 to collect their magazine from Miss Rickaby.

Once you return the slip below, our Finance Department will release access for you to be able to pay via 'Parentpay'.

Please return the below slip to your son/daughter's languages teacher by Monday 19 November 2018.
