

Religious Studies Summer Home learning

Please complete the following essay style questions to return to each of your subject teachers next term. Each question should be at least a side and a half of A4 and should consider scholarly views other than your own as well as a clear argument with evaluative points and structure. You should include some research that you have done outside of your GCSE learning.

Philosophy

'The philosophy of Plato and Aristotle is no longer relevant to the modern world.' Discuss. (20)

Ethics

Critically evaluate the contradictions within Christianity on issues surrounding euthanasia. (20)

Development into Christian Thought

Critically evaluate the most important aspects of the life and teaching of Jesus. (20)
