APPEARANCE POLICY YEARS 7 – 11

The ethos of Northampton School *for Boys* is determined by many areas of school life. However, the values and expectations of the school are underpinned by the smart appearance of our students.

We are justly proud of our students, who are fine ambassadors for the school, and we hope that they will grow to be proud of their association with Northampton School *for Boys*.

This sense of belonging is encouraged from the very beginning of a student's career at the school and we believe that wearing school uniform is an essential part of that relationship. We expect parents to give their full support to the school in implementing school policy.

The policy sets out the requirements but the Headmaster or his representative will decide on issues that are not covered by this policy or there is an element of interpretation required. Health and safety is of paramount importance.

If any student and parent has any doubt that a change in appearance, for example hairstyle, may not comply with school policy then they must ask the school for guidance before any change is made.

The full policy covers the following areas of appearance.

1. Uniform
2. Hair
3. Jewellery
4. Headwear
5. General Uniform
6. Miscellaneous

APPEARANCE POLICY YEARS 7 - 11

INTRODUCTION

The ethos of Northampton School *for Boys* is determined by many areas of school life. However, the values and expectations of the school are underpinned by the smart appearance of our students.

We are justly proud of our students, who are fine ambassadors for the school, and we hope that they will grow to be proud of their association with Northampton School *for Boys*.
