

## Spanish – Sixth Form Induction Home Learning

- Prepare your folder according to the instructions given in the Spanish booklet given out during induction. I will be checking these during the first lesson.
- Prepare a playlist of Spanish songs that you like and listen to them!
- Make sure that you know the following tenses, including ALL irregulars: present, preterite, imperfect, future and conditional. You will be tested on these in the first week. (You can use languages online to practise, as suggested in the booklet).
