

Health and Safety Risk Assessment – Coronavirus (COVID-19) FULL Opening for students - H&S and Operational procedures

School	Northampton School for Boys		Assessment No.	006FullOpening(Provisional for website)	
Site	Billing Road	Location	Full site		
Subject of Assessment	<p>This assessment will consider the risk associated with FULLY OPENING the school at the beginning of September 2020 as per the Government's guidance: 'Guidance for full opening: schools' Published 2 July 2020 whilst COVID-19 remains a risk. Other relevant Government and DfE COVID-19 guidance is also considered when planning the provision to fully reopen the school along with specialist guidance relevant to curriculum and operational areas and moving to fully opening the school after the partial opening for students in June 2020. This risk assessment refers to sections 1,2,3 and 5 of the defined 5 sections of the government's 'Guidance for full opening: schools' document:</p> <p>Section 1: Public health advice to minimise coronavirus (COVID-19) risks</p> <p>Section 2: School operations</p> <p>Section 3: Curriculum, behaviour and pastoral support</p> <p>Section 4: Assessment and accountability</p> <p>Section 5: Contingency planning for outbreaks</p> <p>The government have decided that the risk to children becoming severely ill from coronavirus (COVID-19) is very low and there are negative health impacts of being out of school. Whilst it is not possible to ensure a totally risk-free environment, the Office of National Statistics' analysis on coronavirus (COVID-19) related deaths linked to occupations suggests that staff in educational settings tend not to be at any greater risk from the disease than many other occupations. Given the improved position, the balance of risk is now overwhelmingly in favour of children returning to school. While coronavirus COVID-19 remains in the community, this means making judgments at a school level about how to balance and minimise any risks from COVID-19 with providing a full educational experience for children and young people.</p>

Section 1: Public health advice to minimise coronavirus (COVID-19) risks				
Prevention				
1.	Contact with individuals who are unwell or who have someone in their household who does	<ul style="list-style-type: none"> Students, staff and other adults do not come into the school if they have coronavirus (COVID-19) symptoms, or have tested positive in the last 7 days Anyone developing those symptoms during the school day is sent home and advised to follow 'stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection' https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance which sets out that they must self-isolate for at least 7 days and should arrange to have a test https://www.gov.uk/guidance/coronavirus-covid-19-getting-tested to see if they have coronavirus (COVID-19) A child that is waiting collection will be isolated behind a closed door with adult supervision In the event of a student or member of staff developing COVID-19 symptoms, the medical room will be re-purposed as the isolation room and the female toilets next door will become the facility for the subject to use. The toilet will be removed from general use until the subject has left the site and it has been cleaned. The area behind reception will be clearly marked out of bounds whilst the medical room is being used for a suspected COVID-19 case. Staff movement in that area will be restricted. PPE will be available for the First-Aider who is dealing with the suspected COVID-19 case Everyone must wash their hands thoroughly for 20 seconds with soap and running water or use hand sanitiser after any contact with someone who is unwell The area around the person with symptoms will be cleaned after they have left to reduce the risk of passing the infection on to other people. This will include the classroom table and chair where the student has sat each lesson during that day COVID-19: cleaning of non-healthcare settings guidance will be followed https://www.gov.uk/government/publications/covid-19-decontamination-in-non-healthcare-settings/covid-19-decontamination-in-non-healthcare-settings 	Low	Yes
2.	Hand cleaning more often than usual	<ul style="list-style-type: none"> A culture of hand cleaning will be instilled in all users of the school Students, staff, visitors, and contractors must clean their hands when they arrive at school Wall mounted hand sanitiser units are installed in each public entrance Students clean their hands more regularly. This will include when they arrive at school, every time students enter a classroom, before and after eating, before and after sport and before they leave the school grounds. Students must clean their hands before entering a toilet and they must clean their hands with hot water and soap after using the toilet. 	Low	Yes

3.	Respiratory hygiene	<ul style="list-style-type: none"> The 'catch it, bin it, kill it' approach will be used in the school Students will be instructed to use a tissue to blow their nose and when sneezing and that the tissue must be placed in the bin Every classroom will have a bin that can be used for general waste and tissues Every classroom will have a box of tissues available on the teacher's desk Cleaners will replace empty boxes of tissues each evening If tissues run out in a classroom during the day, staff can email Estates using the help@estates to ask for more Students will be instructed that they must not spit at any time Individual students with complex needs that may spit uncontrollably will have a risk assessment carried out on them Students and staff that wear face coverings whilst coming into school must remove the item and place it in a sealed bag before entering the school buildings. They must not handle it until they have left the school buildings 	Low	Yes
4.	Enhanced cleaning, including cleaning frequently touched surfaces often	<ul style="list-style-type: none"> Cleaning schedule ensures that classrooms, shared areas and frequently touched surfaces are cleaned more often than normal Toilets are scheduled to be cleaned more frequently during the day Dining tables are cleaned between bubble groups Equipment will be rotated to allow them to be left unused and out of reach for a period of 48 hours (72 hours for plastics) between use by different bubbles Teachers will spray each table between lessons and at the beginning of the lesson each student will wipe the table with a disposable paper towel / cloth before taking their seat Appropriate cleaning fluid used to clean surfaces meets appropriate technical standards and kills 99.9% of viruses including coronaviruses The government document 'COVID-19: cleaning of non-healthcare settings' is used to plan the cleaning operation https://www.gov.uk/government/publications/covid-19-decontamination-in-non-healthcare-settings/covid-19-decontamination-in-non-healthcare-settings By the end of the summer term, Public Health England will publish revised guidance for cleaning non-healthcare settings to advise on general cleaning required in addition to the current advice on COVID-19, which will be incorporated, as appropriate, into the school's hygiene management system 	Low	Yes

5.	<p>Contact between individuals and maintaining social distancing</p> <p>The overarching principle applied is reducing the number of contacts between children and staff while delivering a broad and balanced curriculum</p> <ul style="list-style-type: none"> Students will be directed / supported to maintain a 2m distance from staff and to maintain as much distance from their peers as possible with no physical contact permitted <p>Staggered and separate entry to the school</p> <ul style="list-style-type: none"> We will encourage parents, staff and students to walk or cycle to school if at all possible Students eating breakfast will be permitted into school through the bus gates at 8am. These students must go directly to the Concourse where they will eat breakfast in year group zones before going directly to their Form Room For all other students there will be a segregated and partially staggered arrival to the school. Students will enter through six different entrances according to their year group. <p>Student arrival</p> <ul style="list-style-type: none"> Students will not be permitted into school until 8.30am. Upon arrival students must clean their hands and make their way directly to their Form Room (without delay) where they will sit at their desk until registration at 8.45am. Assemblies will be initially streamed into Form Rooms Where Sixth Form students do not have a lesson period 1 they should seek to arrive shortly before their first lesson of the day and swipe in. If they have no option but to arrive earlier than 9.40am they must go directly to the Y12 / Y13 designated study areas and work in there until it is time for their first lesson <p>Timings of the school day</p> <ul style="list-style-type: none"> In order to accommodate a staggered break and lunch time the timings of the school day will change as per the Headmaster's briefing paper <p>Movement around the school</p> <ul style="list-style-type: none"> Contacts will be limited by the use of one-way systems around the school where necessary to alleviate pinch points and busy corridors. <p>Staggered and zoned break and lunch times</p> <ul style="list-style-type: none"> Break and lunch time will be staggered and students in each year group will have different zone areas for both break and lunch Each year group will have an outdoor zone and an indoor zone <p>Staggered and separate exit</p> <ul style="list-style-type: none"> Students in Years 7/8/9/12 will leave on the 3.25pm bell Students in Years 10/11/13 will leave on the 3.35pm bell 	Low	Yes

	<p>Measures within the classroom</p> <ul style="list-style-type: none"> Teachers should aim to maintain distance from the students by staying at the front of the class and to maintain a 2 metre distance from the students and from any other adult Space will be provided at the front of the classroom to facilitate this by rearranging classroom furniture as required to make the best use of the individual classroom space Teachers should avoid close face to face contact and they should minimise time spent within 1 metre of anyone. Desks will be spaced out as far as is possible in each classroom and almost all classrooms will have the students seated side by side and facing forwards. Where it is not possible to sit students side by side, such as in the art and music rooms, suitable shields will be used as desk dividers Students in the changing rooms will be encouraged to sit as far apart as possible from each other Unnecessary furniture will be moved out of classrooms to make more space Students will be directed / supported to maintain a 2m distance from staff and to maintain as much distance from their peers as possible with no physical contact permitted <p>Sixth Form Study arrangements</p> <ul style="list-style-type: none"> When Sixth Formers have finished their last lesson of the day they may leave the school site but will not be permitted to return. In order to minimise the risk of picking the virus up in the local community, Sixth Formers must not leave the school site unless they have finished their last timetabled lesson <p>General Computer Rooms</p> <ul style="list-style-type: none"> Computer rooms will not be bookable <p>Assemblies</p> <ul style="list-style-type: none"> Assemblies will continue to take place for single year groups only in the Cripps Theatre (no whole Sixth Form assemblies) <p>ITT</p> <ul style="list-style-type: none"> NTTP training sessions will take place in the ONs clubhouse <p>Staff Briefing</p> <ul style="list-style-type: none"> Monday morning briefing will not take place face to face until further notice <p>Open Evening</p> <ul style="list-style-type: none"> This will not take place in its normal format this year <p>Awards Evenings</p> <ul style="list-style-type: none"> These will not take place this year as an event unless DfE guidance changes
