We are looking for someone to join NSB following our recent recognition as **'Secondary School of the Year'** at the Northamptonshire Education Awards and **'Comprehensive School of the Year'** in the East Midlands for 2025 – the third time we have secured this honour in The Times/The Sunday Times 'Best Schools' Guide' based on our outstanding GCSE and A level results.

The Visual Arts department at Northampton School *for Boys* is a team of inspiring individuals who are committed to offering our students an outstanding education. Working as the VA Technician at our school provides a unique opportunity to enhance your skills in a department that values support and innovation; our focus is on providing a knowledge rich curriculum that inspires students and fosters a deep interest in Art, and Photography.

This vital role involves preparing and organising materials for Art and Photography lessons, maintaining equipment, supporting classroom activities, and ensuring health and safety standards are met. You'll work closely with staff and students, assisting with lesson setups, student projects, and extracurricular activities. Responsibilities also include stock management, supporting exhibitions and displays, and ensuring the smooth day-to-day running of the department. If you're a highly organised individual with a passion for the arts and enjoy working in a vibrant and high performing educational environment, we'd love to hear from you.
