Nurturing Success

Teacher of Design Technology (MPS/UPS) required for September 2024

(Starting salary point on the MPS / UPS negotiated at interview)

We welcome applications from both full-time and/or part-time experienced teachers or ECTs.

Please see this link for full details of benefits: [NSB Trust Employee Benefits](#)

What we are looking for:

Would you like to be part of an exciting journey by joining a newly opened and growing school in September 2024? Would you like to work in professional partnership with a school (NSB) ranked as the top state comprehensive school in the East Midlands by the Sunday Times for 2022, based on GCSE and A Level results?

The NSB Trust is looking for a Teacher of Design Technology to join our growing, co-educational, 11-16 academy, Northampton School. We are seeking applicants who share in our ambitious, supportive and aspirational culture and can help to deliver our curriculum to the highest standards whilst also embedding the ethos, values and visions of The Trust. You must want to deliver, and have the skills to teach, a curriculum that covers a broad range of practical and IT skills and techniques including CAD as a tool for designing. An ability to deliver some Food Technology would be useful but is not essential.

You will join part of an incredible team of teachers who are passionate about providing young people with the opportunity to grow and thrive in this growing community. The school will be on its brand-new site with outstanding facilities in time for the start of the 2024/25 year. We are immensely proud of our extra-curricular activities and achievements and it is essential that the successful applicant contributes to drive this provision forward at Northampton School.

We offer a truly exciting range of CPD opportunities for all teachers and leaders across the school and are wholly committed to investing in the development of our staff in the NSB Trust.

The job will predominantly be based at Northampton School but there may be opportunities for the successful candidate to teach across both schools.

How to apply

We welcome all interested applicants to arrange a telephone/video call so that you can learn more about Northampton School and what we could offer you as a member of staff.

The Academy Trust is committed to safeguarding and promoting the welfare of children and vulnerable adults and expects all staff and volunteers to share this commitment. All posts working with children and young people will be subject to an Enhanced Disclosure and Barring Service check and online checks.

Applications are accepted via the application form (available on the school's vacancies page), via TES QuickApply, TeachNorthants or via the HR Office at The NSB Trust hr@nsbtrust.school.

We encourage you to submit your application as soon as possible.

Closing date: 9am, Thursday, 8th February 2024

Interviews: Tuesday, 13th February 2024

Northampton School Headteacher: Matthew Edwards
