#### Further Maths:

- Please note that Further Maths takes up Option Blocks 1 and 4.
- If you wish to study Further Maths you must still choose two other subjects from the remaining Option Blocks (i.e. Blocks 2, 3 or 5).
- If you wish to study Further Maths you do not need to select Mathematics as a separate subject too.

#### BTEC (Rugby)

- Please note that this course is the equivalent of THREE full A Level subjects and goes over all 5 option blocks.

#### Core Maths:

- Please note that this subject is NOT a full A Level and does not appear on the option block information above. It is studied on top of your three A Level choices. If you are interested in studying Core Maths, you will have the opportunity to indicate this on your application form. Unfortunately, we cannot guarantee this will run as it is dependent on uptake and availability of students.

The school expects that students will follow a course which consists of three full A Levels for two years. There is the opportunity for exceptional applicants to study a fourth subject and if you would like to be considered for this offer this can be discussed at the Course Guidance Meeting. To study four subjects, you will need to achieve minimum 7 grades in the relevant subject entry requirements for your A Level.
