The individual decision letter will be sent to all appellants on the same day. This will be within 5 school days of when the decisions are made (which is only at the conclusion of **all** the individual hearings), but subject to the proviso that it is possible to complete them all within that timeframe. This will be dependent upon the total number of appeals that are received.

**APPEALS LODGED AFTER THE DEADLINE** - Will be heard without delay and if at all possible before the commencement of the September term, although that will be subject to when the appeal is made.
