

## **Sixth Form Minimum Entry Requirements for 2024 Entry**

### **BTEC Level 3 National Extended Diploma in Sport**

This course is the equivalent to studying three A Levels.

A minimum of four GCSE subjects at Grade 4 or better are needed in order to study this course. One of these four subjects must be Mathematics at a minimum Grade 4 and another one must be either English Language or English Literature at a minimum Grade 4.

This course has practical units which will be tailored for delivery through basketball, netball or rugby. Students must, at the point of application, meet the minimum of the performance level thresholds outlined below in their main sport:

**Basketball:** National League Level or above

**Netball:** Roses Academy or NSL League Pathway (Netball Super League)

**Rugby:** Selection for a Professional Academy Programme at the following level:  
Player Development Group (PDG) Boys  
Talent Development Group (TDG) Girls

#### **PLEASE NOTE:**

External and internal students should speak with Mr Beaumont (Rugby) or Mr Burton (Basketball and Netball) at the school prior to submitting an application for this course.
