

GCSE Results Day - Thursday 22nd August 2024

How to collect results?

The school will be open from 09:00am for students to come in and collect their results. Please enter via the Red Doors at the front of the school. An envelope containing your results can be collected at the far end of the Concourse.

A breakdown of results will also be available on AIM from approximately 09:00am.

Access to Scripts Form

In the envelope is a yellow Access to Scripts Form. It is important that you sign this, and hand it in at the 1911 Hall before you leave on Results Day. This will allow staff to recall your scripts and identify if there are any issues from reading through them.

This document will also be available on the Exams page of the school website following the release of results: [Examinations \(nsb.northants.sch.uk\)](https://www.nsb.northants.sch.uk/examinations)

NSB Sixth Form Admissions

If you have applied to the NSB Sixth Form, you will also have a note regarding your admission in your envelope. This will state if your NSB conditional offer has been confirmed. If this is not the case, you will receive instructions about your Post-16 options.

Do you need advice or guidance?

Thurs 22nd Aug	Senior Staff will be available throughout the day
Fri 23rd Aug	Senior Staff will be available from 9:00am until 12:00pm.

Do you think that your grade is incorrect?

We hope that you are happy with your grade. However, if you are unhappy with your grade or if your raw mark is very close to the next grade boundary then you may wish to apply for one or more exam scripts (papers) to be reviewed by the Exam Board. In the first instance, we would recommend discussing this with subject teachers and Curriculum Team Leaders.

All requests **must** be made through the school and not directly to the Exam Board. The Exam Boards will not accept approaches for a Review of Marking by candidates or their family. There is a fee per paper/unit requested which is payable by the candidate, however if the review is recommended by the school, then associated fees will be paid for by the school.

A Review of Marking requires a separate green sheet to be completed, which highlights that results / grades could move up, down, or stay the same. These need to be submitted to the Exams Office.

More information about Access to Scripts can be located [Access to Scripts and Reviews of Results Policy](https://www.nsb.northants.sch.uk/Access-to-Scripts-and-Reviews-of-Results-Policy) ([nsb.northants.sch.uk](https://www.nsb.northants.sch.uk))

What to do if you are away on Results Day?

Results can be collected by a family member, if you are unable to come in to school on Results Day. For these to be collected, please email reception@nsb.northants.sch.uk (from your school email account) with the name of the person collecting the results *at least* 48 hours before Results Day.

The person collecting the results will have to present a valid form of identification. Please note, only the person named can collect results on your behalf.

Who to contact for advice about a Review of Marking or Access to Scripts

The Exams Office will be available during this period for students to contact. You can speak with the Exams Team on Results Day in the 1911 Hall, and/or email exams@nsb.northants.sch.uk

If you need advice, please contact the School Reception (01604 230240), who will direct your enquiry to the most appropriate member of staff.

Examination Certificates

Certificates for your GCSEs are available for collection from the School Reception around mid-November. Please keep an eye on the school website for more information about when these can be collected.

Good luck – We look forward to seeing you on Results Day!
