

March 2024

Dear Parent/Carer

YEAR 12 INTERNAL SUMMER EXAMINATIONS AND STUDY LEAVE 2024

Year 12 (internal) End of Year Exams take place between Wednesday 15th May 2024 and Friday 24th May 2024. These are the final eight school days of next term. The exam timetable is shown below. All these exams take place in the Sixth Form Study Centre, except where stated.

Year 12 Study Leave for End of Year exams starts from 3.35pm on Tuesday 14th May. **Students return to lessons on Monday 3rd June.** During this time, your child should study at home, except when required to attend for exams.

Please note the start times in the morning are 9:00am and afternoon 1.30pm, students should arrive 15 minutes prior to these times. Seating plans will be presented in the 1911 Hall, and outside the Sixth Form Study Centre.

BTEC (Sport) students do not have study leave at this time and should attend all lessons as normal.

Year 12 Further Maths students are expected to complete the End of Year Examinations for their other A-Level subject(s), ahead of their first external Mathematics Examinations (4th June 2024).

Whilst on study leave, please encourage your child to:

- revise thoroughly before the exams.
- check their exam timetable every day to ensure that they do not miss an exam.
- use the school's online resources to access revision tasks set by teachers.

Mobile phones: Please note that mobile phones or any device capable of receiving and/or storing data are not allowed in any examination rooms. This includes smart watches or wireless ear pods. We recommend that all such devices are left at home on exam days, however, if any parent believes that it is important that their child has a mobile phone with them at school, then the phone **MUST** be handed in to Student Services, prior to the start of the exam.

Failure to adhere to the regulations of the examination will result in disqualification, with appropriate sanctions, where necessary.

I will be talking to all Y12 students in Assembly next term about routines and logistics for examinations, but students are more than welcome to come and see me regarding any queries they may have.

If you require any further information about the examinations, please contact me at the school.
