

7 July 2025

Dear Parent/Carer

Information for Parents and Carers: A-Level / BTEC Results Day – Thursday 14th August 2025

We would like to share some key information regarding Results Day to help you support your child through this important milestone. This information has already been sent directly to students.

Collecting Results

The school will be open from 9:00am for students to collect their results in person. They should enter via the Red Doors at the front of the school, where they will be directed to the Concourse to collect an envelope containing their results. A digital breakdown of results will also be available to students via MYA from approximately 9:00am.

Post-18 Support and Guidance

We understand that some students may need additional guidance on their next steps. The Post-18 Support Team (including Mrs Bradley-Brophy and Mrs Hinton) will be available throughout Results Day to provide advice on university admissions, apprenticeships, gap years, and other pathways.

- Thursday 14th August – Full support available
- Friday 15th August – Mrs Bradley-Brophy will also be available for ongoing support

UCAS Admissions and Clearing

UCAS Track will update from 8:00am. We will be running support sessions in the Upstairs Sixth Form Centre for students who require assistance with UCAS, Clearing, or Post-18 decisions. Parents and carers are welcome to attend these sessions if Post-18 support is required.

Please note that these sessions are not for discussing exam grades or reviews of marking. They are focused solely on Post-18 advice.

Access to Scripts

Included in the results envelope will be a yellow "Access to Scripts" form. It is important that students complete and sign this form, and hand it in at the 1911 Hall on the day. This allows staff to retrieve exam scripts and identify any possible issues. The form can also be found on the school website: [Examinations – nsb.northants.sch.uk](https://www.nsb.northants.sch.uk/examinations)

Reviewing Results

While we hope students are satisfied with their grades, if your child believes a result is incorrect, they may wish to apply for a Review of Marking. We recommend that students first speak to their subject teachers or Curriculum Team Leaders to discuss this.

If the result affects a university place or other next step, it is crucial that your child seeks advice from Mrs Bradley-Brophy. Please note:

- There is a fee for Reviews of Marking. If the school supports a Review of Marking, this fee will be covered by the school. All review requests must be made via the school, not directly to the exam boards (exam boards will not accept requests from students or parents).
- A green Review of Marking form must be completed and submitted to the Exams Office. Grades can go up, down, or stay the same following a review. More information is available on the school website: [Access to Scripts and Reviews of Results Policy – nsb.northants.sch.uk](https://www.nsb.northants.sch.uk)

If Your Child is Away on Results Day

If your child is unable to collect their results in person, they may nominate a family member to collect them on their behalf. Please ensure your child emails exams@nsb.northants.sch.uk (from their school email account) at least 48 hours before Results Day, providing the full name of the person who will collect the results.

The person collecting the results must bring valid ID and will only be given the results if they are the named individual.

Further Support or Questions

The Exams Office will be available on Results Day in the 1911 Hall to answer any questions. For general enquiries, you can also call the school on 01604 230240, and reception will direct you to the relevant member of staff.

We wish your child the very best of luck and look forward to supporting them on Results Day.

Kind regards,

Mr J Marshall
