

February 2026

Dear Parents/Carers,

Please accept this short letter as an outline of recent information given to students about their upcoming A-Level Examinations.

This week, students have received their provisional A-Level examination timetables.

Please take time to carefully check the following:

1. Examination Entries

Ensure your son/daughter has been entered for the correct qualifications and subjects.

2. Personal Details

Check that all personal information (especially full legal name and date of birth) is accurate. Any amendments must be reported within the next **four weeks**. Please note that any changes may incur a cost if examination boards have not been informed in advance. If any details are incorrect, you or your son/daughter should contact me directly, or email: exams@nsb.northants.sch.uk

Access Arrangements

Access arrangements (such as extra time) should already be confirmed where appropriate. If you have any questions, please contact Mrs Spencer or Mrs Cleaver.

If your son/daughter has a clash of examinations, please do not worry. This is a common scheduling issue. I have spoken to all Year 13 students affected by this, and the resolution for any clashes will be evident on their finalised timetable.

More comprehensive information about examinations will be shared later this term.

Thank you for your support in ensuring all details are correct ahead of the examination period.

Kind regards,

Mr J Marshall
