

Northampton School for Boys

16-19 Tuition Fund Statement (AY21/22)

The 16 to 19 tuition fund was a one-off £96 million fund for the 2020/21 academic year, however, the scheme has now been extended into the 2021/22 academic year. It is ring fenced funding for schools, colleges and all other 16 to 19 providers to mitigate the disruption to learning arising from coronavirus (COVID-19).

The funding is being provided to support small group tuition for 16 to 19 students in English, maths, and other courses where learning has been disrupted.

Providers should prioritise support for students who have not achieved a grade 4 or 5 in English and/or maths or who have a grade 4 or above in English and/or maths, are from an economically disadvantaged background and would need catch-up support.

Providers should prioritise students that will benefit most from small group tuition, based on the criteria above. When identifying who needs support through the tuition fund on the basis of low prior attainment, institutions should prioritise tuition for those students who have not achieved a grade 4 in maths and/or English in the first instance. Providers should also have regard to the needs of students with special educational needs and disabilities (SEND), particularly where they have experienced additional disruption to learning as a result of their specific needs and disabilities.

All providers, as a condition of the receipt of this funding must:

- produce a concise statement explaining how they will use this funding in line with our guidance to prioritise support for disadvantaged students
 - for 2021 to 2022, this must be provided with the opt in application
- publish the statement on their website in the autumn term for funding in 2020 to 2021
 - for 2021 to 2022 a link to this statement must be provided with the opt in application
- record all students in receipt of activity funded by the tuition fund in the individualised learner record (ILR and the school census)
- record the use of the funding, including reference to the individual students that receive the support, the needs of those students, the number of hours of tuition delivered, and retain the necessary evidence of the tuition provided and additional cost
- deliver the extra tuition and spend the associated funding in the 2021 to 2022 academic year
- notify ESFA of any unspent funding from this fund at the end of the 2021 to 2022 academic year for it to be reclaimed

It should be noted on the 16-19 Plan above that the school may have spent more than is indicated in the cost column. The cost column indicates the amount from the funding received which has been allocated to the specific action carried out in school.

16-19 Tuition Funding

Academy Name	Northampton School for Boys
Headteacher	Mr Richard Bernard
Chair of Governors	Mr Peter Bason
