Dear Parent / Carer

PARENT / CARER SURVEY - Northampton School *for Boys*

As we draw to the end of the academic year we would like to invite you to take part in a short survey to share your views on the school with us. The survey is accessible through the 'Parental Survey' link on the front page of the website (you will need your Secure Student Information log in details) and requires you to respond to 13 questions, using answers ranging from 'Strongly agree to Strongly disagree'. The survey should only take a couple of minutes to complete and there is also an optional comment section at the end. All responses will be treated in the strictest confidence and will not be attributed to a name when analysed.

The school values very highly the views of parents / carers in order to support our internal quality assurance framework and I would like to thank you in advance if you are able to complete it. The survey will be removed from the website at 5pm on August 15th, 2017.

I do hope that your child has enjoyed his or her year at NSB and we look forward to welcoming all of the returning students back safely in September.

Yours sincerely

Richard Bernard
Headmaster
