## **Feedback on the school holiday food voucher scheme**

To help families in the school holidays, West Northamptonshire Council gives supermarket vouchers to parents, guardians, and carers of children who get free school meals. These vouchers are sent out from the school.

We would like to hear from those who receive school holiday food vouchers. We want to understand how important this service is to people who receive this help. We also need to know how well this service works, and if we can make it better.

### **How to provide your views**

Please give us your views by completing the online survey using this link:
