Your Gas Network

Hello,

We're replacing 2.8K of the gas pipes in the local area.

Our work to replace the gas mains and services in Northampton is due to be completed.

When you'll see us

We plan to be in your area from **September 2025** for **9 weeks**.

How will the works affect you?

Works will be carried out under rolling temporary traffic lights on the following roads
Rushmere Road, Park Avenue South, Landcross Drive and Billing Road East.

We are advising you of this work so you can allow sufficient time when attending meetings, appointments, school drop off etc, as the traffic management required can contribute to additional traffic congestion.

We'd like to reassure you that we will keep disruption to a minimum and get the streets back to normal as soon as we can. Thank you for your patience while we carry out these works.
