Dear Parent/Guardian

As you are aware, your son has opted not go on the Year 8 Residential Trip to Norfolk Lakes. During the week commencing 15 October the school timetable is collapsed in order to be able to deliver the Year 8 and Year 12 Residential programme and the Enterprise Week activities to the remaining year groups.

Your son will be off timetable and will therefore be involved in the activities listed below

16 October 2018	Students will be going to Salcey Forest in the morning – <i>Outdoor clothing is required including a waterproof incase of inclement weather. <b>We will be back in school for 1pm so normal lunchtime arrangements should be made.</b></i> In the afternoon they will have a session in the school pool – <i>Swimming kit required.</i>
17 October	Students will be taken to the Pinnacle Centre in Northampton. <i>Students to wear tracksuits/casual clothing and trainers. <b>Jeans are not suitable when wearing a climbing harness. A packed lunch is required.</b></i> There is a small café at the Centre, but only for sweets and drinks.
18 October	Everdon Den Building. <i>Outdoor casual clothing required, including a waterproof as students will be outdoors all day. <b>A packed lunch is required.</b></i>
19 October	Students will be taken to Grendon Hall – Archery/Swamp activities. <i>Old outdoor clothing including a waterproof is required, a towel <b>and a full change of clothes including trainers is necessary as most end up in the Swamp! A packed lunch is required.</b></i>

***Please check dress codes/lunch requirements above for each day's activities!***

For all sessions, students will register in the Library with Mrs O'Neill. All activities will start/finish during normal school hours.

Please could I ask for a voluntary contribution of **£40** (£20 for FSM, PP or B students – please indicate below) towards the activities your son will be participating in during this week.
