March 2020

UCAS Parents' Evening – Tuesday 24th March 2020

Y12 students are about to embark upon one of the most important decision- making processes of their life so far. In the coming months they will be asked to decide if they wish to continue their education beyond the Sixth Form. They will, if the answer is yes, need to choose institutions to attend and courses to take.

At school we will be implementing a guidance programme designed to support the students as much as possible, including sessions on university and course choices, how to write their personal statement as well as guidance on how to complete the UCAS application. It is important that you, as parents of our students, are informed about this important process and as such we would like to invite you to a UCAS Parents' Evening in The Cripps Hall on **Tuesday 24th March 2020 at 6.00pm.**

At this evening you will have the opportunity to find out about how we are supporting our students in this process. During the evening, presentations will be made on aspects of the Higher Education decision. Ms Naomi Shaeffer, our Careers Adviser, will also be in attendance.

If you are driving to the school can I ask you to avoid parking in the adjacent roads and to use the school car park opposite The Cripps Hall.

Please ensure you complete and return the reply slip below to the relevant **Form Tutor**, by Tuesday 17th March 2020. We hope that you can join us.
