

Northampton School for Boys

An Independent Academy for the Town and County

Dear Parent/Guardian

We are currently looking into the possibility of running a Sports Tour during the first week of the Easter Holiday in 2023. Initial plans are still in the formative stage, but it is likely that we will run a trip which includes the current U12 Football and Basketball squads.

It is hoped that we will travel to Madrid in Spain where both squads will be able to train and play matches inside the famous Real Madrid training complex. Alongside this we will aim to take students on a couple of excursions around the city as well as some sightseeing and potentially watch a Real Madrid game at the *Bernabeu* as well as a Real Madrid Basketball game.

We are hoping that the trip we will be full board with all meals included and we would fly from a London airport with the trip lasting for 4 Nights and 5 full days. With the rising costs of travel the tour is not cheap, with all food included and matches at Real Madrid and tour kit, the likely cost of the trip is around **£1000**.

At this moment in time, I am writing to ascertain an expression of interest in this trip. Once we have confirmed numbers, we can begin to start planning the finer details of the trip and start to piece together a much clearer itinerary of events as well as any payment structures, the first of which is likely to be a £200 deposit.

I must stress that this trip is not certain to run, we need to hit a certain number of students to ensure current costings, but we would like to gauge the general interest in the possible numbers interested before we proceed any further. It is also fine for players who are involved in both sports to mix their involvement in both on tour.

Therefore, I would be extremely grateful if you could return the reply slip to Mr Bevan in the PE Team Base at your earliest convenience. Thank you for your support of NSB Sport and we hope to have some good news regarding the trip soon.

Kind regards

Mr Pete Bevan
