An Independent Academy for the Town and County

NSB September 2020 School Opening

Dear Parent / Carer

I hope this letter finds you and your family well.

Following the government guidance on opening schools for September, which was issued last week, a decision has been made on the plans for the first few days of the new NSB school year which are of relevance to parents / carers. In order to enable a supported and safe transition of all students we will be conducting a minor phased return of year groups. This schedule will help to ensure that our new students have the best opportunity of settling positively into the school after missing their normal induction days during the summer term.

Monday August 31st	Holiday
Tuesday September 1st	Teacher Training Day (as scheduled)
Wednesday September 2nd	Teacher Training Day (as scheduled)
Thursday September 3rd:	Year 7 and Year 12 students only (Year 7 or Year 12 in September 2020)
Friday September 4th:	All students return

Details of all other reopening information will be included in a Headmaster's letter to parents and carers next week.

Yours faithfully

Matt Kneeshaw
Deputy Headmaster
