

HTS/jwn
February 2020

Dear Parents/Carers of Year 10 students:

In preparation for your son's examinations – both his trial papers taking place in January 2021, and his public examinations next summer – we are pleased to be able to offer a range of revision guides to support his studies.

This year we are able to purchase guides at reduced prices for: Mathematics, English Language, English Literature, Physics, Chemistry, Biology, Double science, DT, Food, Geography, History, PE, RE, Spanish, French, German and Computing.

Please take some time to talk to your son about his revision plans. The recommended guides are listed on the attached form. The ISBN number listed is offered in case of confusion as to which guide the title is for as sometimes revision guides do have very similar titles. Also, please be aware that students' examination entries are sometimes tiered (Higher or Foundation). For subjects where this is appropriate, both Higher and Foundation tier guides have been listed.

Please fill in the attached form and hand in to the library once your payment has been made via Parent Pay. If you do not hand in this form, we cannot know which guides you have ordered as this acts as your receipt. We will be able to take payment for these guides through the Parent Pay system on 14th February 2020 and will do so until midnight 28th February 2020. This ensures enough time for us to process all of the orders and ensure delivery before the end of Term so that students can use their guides over the Easter break. We will be letting the students know when their guides can be collected from the school library.

If you need help accessing your Parent Pay account, please contact the School Finance Office.

As this is the first opportunity to purchase Revision Guides, we encourage you to make any necessary purchases by the deadline. This gives us sufficient time to place and process the orders. Students will be informed when their books are ready for collection from the library. There will be a second opportunity to purchase guides via the school next year, but we cannot guarantee that the school prices will not change.

Yours sincerely,

Mrs Topping Shaw
Assistant Headteacher
