

TON/HCL

17 March 2020

Further to the latest Government guidance, Northampton school *for Boys* school will not be taking students on D of E expeditions due to COVID-19. In addition, we have spoken to BXM our outside expedition providers, who agree. Therefore, the decision is to cancel all expeditions until further notice.

We understand that this will be disappointing for all the students concerned; however, we need to follow the government's direction on this matter.

BXM will be working closely with Northampton School *for Boys* so that the students can complete their expedition hopefully later in the year.

If you require guidance on this matter please do not hesitate to contact, Mrs Rutherford or Mrs O'Neill

Yours sincerely

A handwritten signature in black ink, appearing to read 'A. O'Neill', with a circular flourish at the beginning.

Mrs O'Neil
D of E Coordinator
