

23rd March 2022

Dear Parent/Carer,

In order to support the U-14 rugby team in their preparations and fixture in the National Cup final, some changes have been made to the Year 9 end-of-year examination timetable.

Please see the revised schedule at the end of this communication.

Specifically:

- There is now one maths paper taking place (not two); the Tuesday paper stays the same, the Friday exam is cancelled
- Rugby players will take their science paper at 12 noon on Wednesday 29th March; the rest of the cohort will sit their paper as previously scheduled at 2pm on the same day
- All exams on Thursday, 30th March (the day of the final) have been moved, with students attending normal lessons on this day
- French, Spanish and German exams will take place on Friday 1st April, starting at 9am. Drama students will take their paper at 11:15am. All students will take their Geography paper at 2pm

This information will be presented to the Year 9 students in their Wednesday morning assembly. No exam has been moved to an earlier date in the calendar.

We wish the rugby team the best of luck in their final.

Amended Year 9 Internal Exam Timetable – 2022

Music and Expressive Arts (Photography and Art) exams will take place during lesson time. Drama practical exams will also take place in lesson time. Class teachers will further advise students. **There are no Dance practical exams as the assessments have already taken place.**
