Exam Board Regulations

The Joint Council for General Qualifications rules that govern the administration of public examinations state that:

“You must not take into the exam room: potential technological/web enabled sources of information such as an iPod, a mobile phone, a MP3/4 player, a smartwatch or a wrist watch which has a data storage device”. Ear Pods are also prohibited.

This is irrespective of whether these devices are switched on or off. If a candidate is found in possession of any such devices (including in their bag), we are obliged to report this to the awarding body. The candidate may then be disqualified from the current exam and the overall qualification.

Northampton School for Boys Arrangements

To comply with this regulation, we insist that all mobile phones (or other prohibited devices) are handed in to Student Services before every examination.
