

Careers News Bulletin

Northampton School for Boys

Thursday 16th July 2020

Dear Parents/Carers

We wanted to let you know about some careers events and activities that students in years 7 and 8 can get involved with this summer. We have also added some fabulous resources that they might find useful. From September you will receive a monthly Careers Bulletin with lots of new information to help your Son gain a greater awareness of the world of work, and options beyond school. For regular careers updates you can visit the schools NSB careers twitter account @NSBCareeradvice.

Resources

Startprofile: This is an online Careers information and guidance software programme. Account details have been set up for each student at www.startprofile.com

If your son would like his login details to begin looking at career ideas over the summer break, please do send Miss Shaeffer an email at careers@nsb.northants.sch.uk

Kudos is a careers software programme for young people www.kudos.co.uk. To create an account, the licence code for Northampton School for Boys is openpost75. Try the My Future questionnaire.

Spring Pod This organisation have recently launched their Learn Lounge, a free careers video lounge where students can access a wide range of talks from different companies.
