

Careers News Bulletin - July 2020

Dear Parents/Carers

We hope you have found the information and resources from last month's bulletin useful. Thank you so much to everyone who has been in touch during this period, and please do keep the questions coming. For all careers related enquiries please contact Naomi Shaeffer, the schools Careers Adviser at [careers@nsb.northants.sch.uk](mailto:careers@nsb.northants.sch.uk). This month there will be an extra edition of our Careers News Bulletin. We will send this out during the last week of term to let you know about further careers related activities that will be taking place over the summer holidays. Here are some more resources that may be of interest.

**Online resources**

If any students would still like the login details for their **Startprofile** careers account, they can just send Miss Shaeffer a message at school. Students in years 7 and 8 now also have an account, and are very welcome to have their details. [www.startprofile.com](http://www.startprofile.com)

Kudos is careers software programme for young people [www.kudos.co.uk](http://www.kudos.co.uk). To create an account the licence code for Northampton School for Boys is openpost75. Try the My Future questionnaire.

**The Smallpeice Trust** are providing a weekly engineering challenge that only requires household items. This looks like great fun, and was recommended to me by a parent.

## **Extra information**

Because there are so many new webinars, conferences and fabulous articles, we keep the NSB careers twitter account updated regularly @NSBCareeradvice. There really are so many amazing resources out there for the students. If there is something in particular that your son is looking for please do not hesitate to ask. We look forward to sending you more Careers news soon and please do get in touch with any questions at all in the meantime.

Kindest regards

Ms N Shaeffer  
Careers Adviser

Miss H Rickaby  
Work Experience Manager (Lower School)
