<p><b>Northampton School will aim to provide a knowledge-rich curriculum which reflects that of NSB School - one that is rigorously academic and ambitious for all, regardless of background or need. The curriculum will be driven by the scope of the English Baccalaureate and will ensure almost all students can pursue the core subject areas of Mathematics, English, Science, Humanities and Languages, whilst also providing breadth of choice across a full range of other subjects. The curriculum will be implemented through the 'best bets' in evidence-based teaching practice - strategies that are embedded to help secure rapid and sustained progress for all students and are constantly informed by an exceptional professional development framework across the NSB Academy Trust. This academic focus will be complemented by an exceptional Personal Development programme that explores all relevant aspects of PSHE/RSE. The curriculum scope and ambition at Northampton School will largely mirror that of NSB School and NSB School staff will support with the Trust-wide delivery of our rich heritage of sporting, artistic and academic excellence - a heritage that is at the heart of our DNA.</b></p>
