**OUR DEAF SERVICES
ARE HERE FOR YOU**

If you're deaf, we have services to make it as easy as possible to chat to one of our counsellors.

childline.org.uk/deafzone has lots of information to help you, including videos in BSL.

Our SignVideo Service also lets you **contact us through an interpreter**, and we've launched a new video service so you can chat to a **BSL-trained counsellor directly**.

So, if you have any worry at all, get in touch with us.
