

## Online Safety advice

Google (YouTube) have, in the past, always stated that YouTube is strictly for over 13's, much like most other social platforms. This age is predominantly for marketing/advertising purposes. However, given that Google have never had a means to prevent under 13's using the platform either with or without an account. It has been difficult to manage.

Back in 2021 YouTube introduced new parental features, called Supervised Experience, and this was for parents of children under 13 who were using YouTube.

## For Parents/carers – Video Games and Children

UNICEF have shared an article with some nice, clear and simple advice for parents/carers about online gaming.

The article covers how to create a positive and safe gaming environment, how parents can engage with their children, what the benefits of gaming are and more.
