

## **Dance – Sixth Form Induction Home Learning**

Research the practitioners that you will be studying on the course. Read as much as you can to give yourself a grounding in the subject. Once you have researched the practitioners, you can watch videos of their work on YouTube. You do not need to write anything down, you will show your knowledge in class discussions once you begin the course.

### **Practitioners - Rambert Dance Company**

Christopher Bruce, Richard Alston and Glen Tetley

### **Practitioners - American Jazz Dance**

Gene Kelly & Stanley Donen, Jerome Robbins and Bob Fosse
