

MOOC's By Subject

<https://www.futurelearn.com/courses>

There are many courses on this site that relate to your future subjects – some are listed here but if you search you will find many more. All courses are free and you can pay for a certificate but PLEASE DO NOT DO THIS as it is not needed at all. You can reference the courses on any application, including your UCAS application, without having to pay. The courses run with a set number of hours per week and you do them independently, at times that suit you. Take a look, get ahead and keep a note of everything that you do. Keep your notes too so you can refer to course-specifics in future interviews. Good luck and enjoy!
