

To inspire and empower all students to meet their potential both in and out of the classroom

NORTHAMPTON SCHOOL for Boys
Billing Road Northampton NN1 5RT
Executive Headteacher: Richard Bernard

Teacher of Science – Part-time (0.6 or 0.8) (MPS/UPS) required for September 2026

(Starting salary point on the MPS / UPS negotiated at interview)

A recruitment bonus for outstanding candidates will also be considered. This incentive is designed to recognise experience, commitment and impact, and will be discussed as part of the interview process.

We welcome applications from both full-time and/or part-time experienced teachers or ECTs.

Please see this link for full details of benefits: [NSB Employee Benefits](#)

What we are looking for

Are you looking to become a valued member in a team of passionate teachers who are committed to delivering a curriculum that emphasises a deep understanding of science and encourages curiosity and success? We are looking for someone to join NSB following our recognition as 'Secondary School of the Year' at the Northamptonshire Education Awards and 'Comprehensive School of the Year' in the East Midlands for 2025 – the third time we have secured this honour in The Times and The Sunday Times 'Best Schools' Guide' based on our outstanding GCSE and A level results. We are also immensely proud of our [most recent Ofsted report](#) from March 2025 which celebrated our 'Outstanding' provision in all areas of the inspection framework.

We are inviting applicants to share in our driven, supportive and aspirational culture who can help to deliver our science curriculum to the highest standards – a curriculum that we passionately believe helps to inspire students' intellectual curiosity and investigative skills in science.

We are looking to appoint a science teacher with a specialism in Biology, Chemistry or Physics who is able to help build on our longstanding tradition of academic excellence. The successful candidate must have experience of delivering high quality teaching and learning and yielding positive outcomes for all students at GCSE and/or A level. You must be a highly motivated professional with a desire to support students across a range of abilities and able to adapt lessons and resources to ensure these are constantly evidence-informed.

How to apply

We welcome all interested applicants to arrange a telephone/video call so that you can learn more about NSB and what we could offer you as a member of staff. Please take a few moments to visit our website to learn more about the school and our reputation for delivering both academic and extracurricular success.

Application forms can be found via the school website on the 'Vacancies' page. Please send your completed application form to hr@nsb.northants.sch.uk. Alternatively, please apply through the TES or TeachNorthants portal. We encourage you to submit your application as soon as possible.

Closing date: **9am, Monday 18th May 2026**

Interview Date: **Thursday 21st May 2026**

The Academy is committed to safeguarding and promoting the welfare of children and vulnerable adults and expects all staff and volunteers to share this commitment. All post holders in regulated activity are subject to appropriate vetting procedures and a satisfactory Enhanced Disclosure and Barring Service check.
