

You're invited!

Post-16 Information Evening

Location
Cripps Building

Tuesday 22nd
September
6 - 7:30pm

DON'T MISS the event of the term where you will be able to learn more about the Post-16 study options, not only at NSB, but also across the town and wider county. We will be sharing with you how to apply to NSB and other institutions, as well as exploring in-depth different study routes, entry requirements, processes and deadlines.

During the evening you will have the chance to hear from the NSB Careers Team and Director of Sixth Form, as well a short information fair with local colleges and other Post-16 education providers.
