CHALLENGE

The School Development Fund enables NSB to go that extra mile and makes the school stand out from the rest. It helps provide a first class platform from which the students benefit and mature into adult life.

Hopefully this brochure captures the wide range of activities that your money is spent on, highlighting the culture and ethos of opportunity, achievement, happiness and success.

Every pupil in the school will feel the benefit of the Development Fund. To get involved, become a donor and help us help your child. Full details of how to donate are included in this pack.
